*The Essence of Flavor
for the Cocktail Lovers*

Triple distilled Bak's Bison Grass Vodka captures the most refreshing, enigmatic, and evolutionary taste. It has a mythical aura that has endured for years, and it is believed to be an aphrodisiac and potent stimulant.

Set to stampeed across America

Pablo Picasso discovered three great wonders in his legendary life. "The blues, cubism and Polish vodka." Picasso's life was filled with youthful vigor and virility which we believe was supported by his enjoyment of Bison Grass Vodka.
